

# CB West Islanders strong into the season

by Sam Morrison

The 2010-11 seasons for the Cape Breton West Islanders of the Nova Scotia Major Midget Hockey League has started off on a great note as they currently sport a sparkling 4-1 record which sees them sitting in 1st place in the eight team circuit.

This years edition of the Islanders sees five Baddeck area boys on the squad as Dakota Bernard, Willie MacDonald, Connor MacEachern, Tyler MacLeod and Mark Trickett have all made significant contributions to Cape Breton West's fine start.

In the Islanders three most recent games Baddeck players have been particularly prominent on the score sheet, with Tyler leading the Islanders to a 4-1 victory over cross Island rivals the Cape Breton Tradesmen last Wednesday in Port Hood, as his two 1st period markers got the home squad off to a roaring start. Mark Trickett and Willie MacDonald pitched in with an assist each.

The weekend before, once again on

home ice in Port Hood, the Islanders picked up two more wins as they beat South Shore 5-2 and the Valley 3-2. In the Saturday tilt versus the Wildcats, Tyler once again found the back of the net for the Islanders with Mark adding two more assists to his point total while Willie also helped out on a Cape Breton West marker.

On Sunday afternoon Mark and Connor both dented the twines for the home side with Mark adding an assist as well, while Tyler and Willie also helped out with an assist each.

With such a strong contingent off Victoria County players on this year's edition of the Islanders (Sugarloaf native Brandon Lee MacKinnon also plays on the team) a trip to Whycocomagh and then down Route 19 is in order for all hockey fans, but unfortunately the League Schedule sees the Islanders on the road for the next two weekends with their next home games set for October 2nd and 3rd against the always strong Dartmouth Ice Dawgs.
