

CARD OF THANKS

I would like to express my most sincere gratitude to everyone who donated to my benefit.

Thank you to my many friends and family who came to the ceilidh and made generous donations. Thank you to the many individuals and businesses who gave donations, door prizes and items for the silent auction. Many thanks to those who prepared food for the incredible lunch that was served.

A special thanks to John MacNeil and the Grandona Legion Branch 124 for hosting the ceilidh, Marjorie MacNeil for selling the numerous tickets, and Nipper & Neil MacLeod for their beautiful singing and music.

The show of support from our community was overwhelming. Your generosity is very much appreciated. God bless you all and keep me in your prayers.

Sincerely, Kaye (Caddie) MacNeil

CARD OF THANKS

WOW!!!! I am so humbled I can not adequately grasp the words to express my awesome appreciation of my - "so many friends (some unknown)", community groups and organizations and family which provided such selfless generosity. I am truly astonished and grateful.

I asked a close friend what to do in return; she said "Most people don't want/need anything except a simple Thank you". I feel Thank you will never be enough.

It is necessary to mention some key folks that aided in this effort of accomplishing "Liberation"-you went above and beyond - (which is generally your habit): Duncan and Beth Gillis (GILLIS TRUCKWAYS) [my travel agents & financial backers] who insisted that I not be deterred by expense; and sister-in-law RN Janet MacCuspic who shared many memorable moments of my adventures, some not so good but aided above & beyond what I am sure she dreamed (nightmare?). She proved to be more value than anticipated or remotely hoped/or wished for. Those who know Janet, know that is the way she is - invaluable; Shirley Hughes & Donald J. MacKenzie canvassing in excess on two separate days at our local Co-op (orchestrated & kindly advertised by Katie Reashore) and yielding an overwhelming amount of donations (many anonymous, some unknown); also the door to door collectors.

Finally to top it off, thanks to everyone who aided, and helped me through my many hard times - husband, kids, extended family & friends - I hope I can even come close to reciprocating your kindness.

I have been so blessed I can only hope you can feel a percentage of the blessings you gave to me returned to you - "Right back at you"; Bless you all!!!!!!

I hope and pray this treatment continues to show benefits and I can in turn contribute a fraction of your kindness. And please receive my heartfelt THANKS!!

In closing I have to mention that John, Janet and myself had an exceptional experience, appreciated beautiful sights and people, but none so great as coming back home. You make it favorable and we are die-hard Caper's. There's no place like home.

All my love to you, thanks again, Ardith
