Fair Drug Prices for Nova Scotians

Why should seniors and others who need help with drug costs have to pay more for drugs than people in other countries and some provinces?

Your government is taking the first step to get fair drug prices for people enrolled in Nova Scotia’s Pharmacare programs.

We are working with pharmacies, seniors and others to develop a plan that will work best for Nova Scotia—a plan that is fair to all.

To learn more and provide your input, go to:
