

Student Choir formed at North Highlands Elementary

This year was one of many firsts for the students at North Highlands. The students were given the opportunity to start a choir at North Highlands. The only requirement was that they be willing to give up their recesses and attend extra practices when needed. The students have had a successful year, singing in the school's Remembrance Day ceremony, the Christmas concert, and this past week they performed in the seventy-second annual Cape Breton Kiwanis Festival of Music, Speech and Drama. They received a mark of 85 at the festival, giving them second place. The students did very well for themselves, and impressed the adjudicator, with the fact that they sang a difficult song, in Gaelic. They will also be performing in Iona on the 6th of May during the Gaelic Teachers

Conference at Rankin School of the Narrows. Their music teacher, Danielle LaVangie, has done a tremendous job putting this choir together.

Canada Road Safety Week

Special

May 18-24, 2010 will mark Canada Road Safety Week, a national campaign to make Canada's roads the safest in the world.

This week has been strategically chosen, as it is the first "summer" long weekend. More people are travelling and traffic collisions are more frequent.

The focus during Canada Road Safety Week will be on behaviours that reduce risks for drivers, passengers and other road users: sober and alert driving, seat belt use, and refraining from all aspects of aggressive driving. All enforcement agencies across the country have been invited to participate.

"Anyone can become a victim of unsafe driving - whether by direct involvement or when a loved one is affected," says Inspector Supt McCarthy, OIC RCMP Traffic Services.

Here on Cape Breton Island, there have been 7 deaths and 26 serious injuries over the last year related to vehicle collisions. These are just numbers, but they represent a lot of pain and heartache for members of our community that could have been prevented.

During Canada Road Safety Week, motorists can expect to see RCMP Cape Breton Traffic Services members out in full force conducting checkstops and aggressive driving (speeding) enforcement operations.

Canada Road Safety Week is sponsored by Transport Canada and endorsed by police and is part of Road Safety Vision 2010, which has a goal of making Canada's roads the safest in the world by 2010.
