**Welcome Minerva MacInnis as Associate Broker!!**

It is my pleasure to announce that Minerva MacInnis has joined our company on January 10th, 2011 in the position of Associated Broker. As a team we have recognized Minerva's dedication to the quality customer service and strong work ethic. We know she will be a major contributor to the value of our company bringing a wealth of knowledge in rural and waterfront properties.

Minerva realized her long time dream of having a Real Estate career early in 2006 and went on to qualified for her Broker's License in 2009. Minerva is excited to be part of RE/MAX Park Place as Associate Broker and looks forward to continuing to offer clients and customers quality, timely service they can depend on.

A native of Baddeck, Minerva has lived and raised her family in Breton Cove on the Cabot Trail, where she maintains a home office, for 30 years. Prior to real estate Minerva worked in Administration for the local Health/Community Centre & CAP site, spent years working with her husband in the fishing & farming industries and was committed to building community through volunteer efforts.

*Buyers, Sellers and Referrals welcome with appreciation.*
