

Heritage Day 2011

In the photo are just a few of the 45, or so, who visited the Victoria County Heritage and Archives during the annual Heritage Day.

The Heritage Day Open House hosted by Victoria County Heritage and Archives Department was a huge success with forty-five people in attendance. It was held on Wednesday afternoon, February 23rd in the Court House in Baddeck. This was the ninth annual Heritage Day open house.

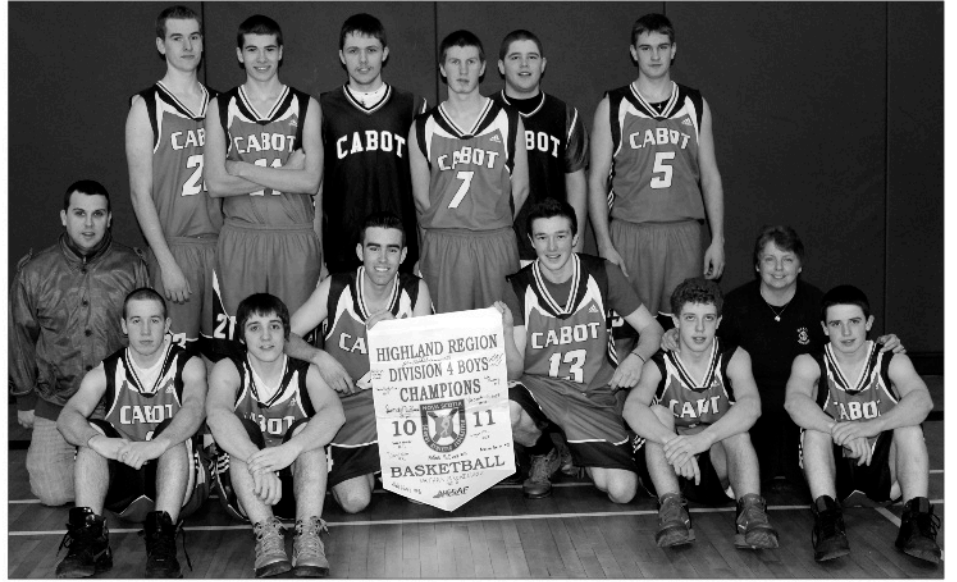

The 2011 National Heritage Day theme coincided with Parks Canada celebrating one hundred years as the world's first parks service. In keeping with this theme, the county's Heritage and Archives

invited representatives from the Cape Breton Highlands National Park, Fortress Louisbourg and the Alexander Graham Bell National Historic Site. There were three very informative presentations which, from all accounts, were thoroughly enjoyed by those in attendance.

As customary, afternoon tea and refreshments were available throughout the afternoon.

The Archives extends a heartfelt note of gratitude to the presenters from all three park sites who generously gave of their time to make our event extra special.
